

Dear Josephians,

It is an honour to serve you as President of the CHIJ St Joseph's Convent Alumnae Association at a time when the world continues to shift in many ways. After a global pandemic, we have grown more resilient and agile. But we are living through changes shaped by climate concerns, rapid technological advancements, and evolving social realities across Singapore and beyond.

In times like these, staying connected matters even more.

The SJCA has always been a special community because we bring together generations of Josephians who share not just memories, but values. What we carry from SJC stays with us. It shapes how we think, how we show up for others, and how we contribute in our own ways.

As SJC moves forward, so do we. Our role as alumnae is not only to look back and connect, but to support what comes next. We have an important role in encouraging the younger generation of Josephians to grow into confident, thoughtful leaders. They will step into a future that is complex, but one that will be full of possibility, and they will write their own paths and stories ahead just as many Josephians have.

It has been a great privilege to meet many of you at various stages of your life. Your fervour and commitment to SJC is awe-inspiring. The stories you share about your time at school is what inspires us to want to continue to build these bonds that tie us together.

Many of you are already contributing in your own ways. Through your time, support, or simply staying connected to the school. No effort is too little because it comes from the heart and every part counts in keeping our SJC spirit alive.

We hope that more Josephians will continue to stay engaged:

- **Show Your Pride** – Carry a little piece of SJC with you wherever you go.
- **Share Your Story** – Speak about your experiences and what SJC has meant to you.
- **Stay Connected** – Join our platforms and be part of our SJCA community.

Looking ahead, we want to work with you to redesign how we approach our SJC narrative.

Let's build stronger connections, create more opportunities to support one another, and find meaningful ways to give back to the school. Most of all, we want to ensure that future Josephians benefit from a community that cares, supports, and grows together.

As alumnae, we remain an important part of our alma mater's story. SJC is dynamic and vibrant because we are united in one passion to link where we have been to where we are going.

Here's to staying connected with each other and building a legacy true to our School Motto: Simple in Virtue, Steadfast in Duty.

Yours-in-Service  
President  
CHIJ St Joseph's Convent Alumnae Association  
2023-2025
