A spark grows into a flame, and all who draw near share its warmth. In the past 85 years since our school's founding, SJC has nurtured the spark in every girl into a steadfast glow that lights the way for her and for others. This year, we celebrate our rich heritage and are grateful for the many blessings that we have received as a school.

Central to the SJC 85<sup>th</sup> Anniversary logo is the light that emanates and shines from within. It is a symbol that inspires us to put Christ the Light at the centre of all we do, as we respond to the call to serve the larger community by bringing forth the light from within and shining it for others.
